WALKS/WEBS, Mayagüez, 00682— *Elementary, Middle School, High School*
August 2012 - May 2024

UPRM, Mayagüez, 00680 — *Bachelor's Degree in Mechanical Engineering*
August 2024 - PRESENT

EXTRACURRICULAR

Phi Eta Mu, Capitulo Beta— *Active Fraternity Member*
July 2024 - PRESENT

Fraternity founded in Puerto Rico in 1923 at the University of Puerto Rico which constantly makes activities and events to improve and unite our community.

American Society for Engineering Education— *Member*
August 2024 - May 2025

Non-profit member association dedicated to promoting and improving engineering and engineering technology education. I have participated in several activities hosted on campus.

UPRM Pre-Engineering Summer Camp— *Attendee*
June 2023

Six-day educational program that includes orientations, seminars, hands-on workshops, a design competition, and extracurricular activities. My team placed first in the mechanical engineering design competition.

UPRM Competencia de Pre-Cálculo— *Participant*
March 2023, March 2024

Close Up Foundation Program, Washington DC— *Participant*
January 2023

In the close up program I was able to develop critical thinking skills and interact with students from distinct backgrounds. We improved our public speaking, teamwork and leadership skills.
